*MAY 2012*

We are coming into the “special event” portion of the calendar year. In a couple of weeks comes Mother’s Day, followed by Confirmation, and eventually recognition of our graduates. What a grand time!

Special Events give us permission to look back at our lives. I remember my Mom declaring every year, “If you only honor me on Mother’s Day that is 1 day a year too many!” For her she expected every day to be one of honor and respect. When I became a parent, I began to understand the wisdom of that sentiment.

Confirmation and Graduation are two of those “milestone” events in a young person’s life. They mark a sense of accomplishment and arrival. Ok we are no longer at a time when confirmation meant boys could wear “long pants” and girls could wear “heels” and graduation from high school is only one step today on what for most is a much longer educational journey but these events are still important. They speak about accomplishment and commitment. But these milestones are not just about looking backwards. Mom’s look forward to see what their roles will be in the future of their children. Being a Mom to a new parent is an important new role. Learning how to parent a growing child is always a struggle.

Confirmation is a time when we pledge to take a more active role in the life of a congregation and indeed the whole of the Church. High School graduation opens up the possibilities of college, work, the military, or something else.

*Pastor's message continued.*

All will have education or training as an important component. These are important forward looks. We at Grace Church stand prepared to honor, recognize, and celebrate with all the people involved in these special events whatever they might be. We are brothers and sisters in Christ and as such we are family. Families at their best, celebrate together. Join us as we reflect back and look forward knowing God in Christ is always there with us.

Yours in Christ,  
Pastor Keith

Catch  
the SPIRIT!

## SPIRIT SUMMER BREAK!

Wednesday night Spirit will break  
for the summer.

May 16 will be the last night for Spirit supper  
and small groups.

May 17 will be the last night for the Thursday  
night Women's Bible study.

See you all again in September!

The following information is an excerpt from  
**The Parent Link**, a monthly newsletter handed  
out to all preschool-sixth grade Sunday School  
students. If you would like a copy of this  
fantastic fact-filled newsletter, there are copies hanging on the bulletin  
board across from the Activities Office.

**Use this fun activity, adapted from Group's *Hands-On Bible*, to  
show how God helps us solve problems:**

• **Falling Walls**—Read aloud Joshua 6:1-20, when God knocks  
down the walls of Jericho without force. Say: "Does this sound  
impossible? Let's try it!" Break graham crackers into fourths and  
spread marshmallow creme on one side of each section. Stack  
the crackers on top of each other, using the creme as cement.  
Line up several stacks to form a wall. Say: "Let's shout at our  
wall as loudly as we can." Afterward, ask what happened. Say:  
"That's right—nothing! It isn't easy to bring down a wall with just  
noise, but God did it. God is awesome!" As you eat each section  
of the wall, discuss times when you need God's power. Close in  
prayer, asking God to help you with all your problems and  
challenges.
