## **The Pastor’s Corner**

### **“Blessed to be a Blessing”**

The human heart is a wonderful thing. It pumps blood in at one valve and then sends it out through another valve. It never stores up blood. It is constantly circulating throughout the body. It gets blood...then gives!

The same is true with the blessings of God. “We bless, because God first blessed us.” God has indeed blessed us! And from this blessing which we have been given, we are able to bless others.

The same is true with any healthy Christian or church. It first receives from God...and then it gives. The giving always starts with **God**...

During the month of October you will be hearing a lot about the plans for Consecration Sunday. We will be learning about the biblical perspective of stewardship and asking “What is God calling you to give?”

We can see God’s blessings all around us. And now **we** are to be a blessing to others for the mission of God. And now it is time to begin!

*Pastor's letter continued.*

There is excitement in the air...can you feel it? God's Holy Spirit is on the move right here! Where God will lead us one never knows, but the journey will be filled with joy and laughter. Come and join the celebration!

In His name,  
Pr. Jody

## REFORMATION SUNDAY

Within the Lutheran church, Reformation Day is officially referred to as **The Festival of the Reformation**. We will be celebrating this on October 28. This is the day where we celebrate the heart of our faith: the gospel of Christ-the *good news*-that makes us free!

In our Lutheran history this is the day which Martin Luther posted his 95 Theses on the castle church door. The liturgical color of the day is red, which represents the Holy Spirit and the Martyrs of the Christian Church. Luther's hymn, *A Mighty Fortress is our God* is traditionally sung on this day.

In celebration of this day, we ask that everyone wear **RED!** We will celebrate the theological reforms of our history and at the same time focus on the need for continual reform today.

So come and join the celebration!

**LOTS OF EXCITING OPPORTUNITIES IN OCTOBER FOR  
KIDS AND FAMILIES HERE AT GRACE**

Then gather with other families in our parking lot and let the kids trick-or-treat from trunk to trunk in a protected and entertaining environment! There are several ideas available online or you can create an idea all on your own. . .it can be as simple or as fancy as you want! **Please bring along your own candy to pass out to the kids.** There will also be games for the kids to play during the evening, too! This is the first year for this event, so please spread the word and let’s pack the parking lot!!

## Consecration Sunday is Coming

Congregations that approach financial stewardship from a biblical perspective do not view the money Christians give to their church merely as a way to pay its bills. Rather, such congregations see financial contributions as a way to help people grow spiritually in their relationship with God by supporting their church's mission and ministry with a percentage of their incomes.

Our congregation's finance committee has selected the *New Consecration Sunday Stewardship Program* as a way to teach the biblical and spiritual principles of generous giving in our stewardship education emphasis this year.

*New Consecration Sunday* is based on the biblical philosophy of the need of the giver to give for his or her own spiritual development, rather than on the need of the church to receive. Instead of treating people like members of a social club who should pay dues, we will treat people like followers of Jesus Christ who want to give unselfishly as an act of discipleship. *New Consecration Sunday* encourages people toward proportionate and systematic giving in response to the question, "What percentage of my income is God calling me to give?"

During morning worship on Consecration Sunday, we are asking our attendees and members to make their financial commitments to our church's missionary, benevolent, and educational ministries in this community and around the world.

Every attendee and member who completes an *Estimate of Giving Card* does so voluntarily by attending morning worship on Consecration Sunday. We urge people to attend who feel strongly opposed to completing a card. The procedure is done in such a way that no one feels personal embarrassment if he or she chooses not to fill out a card. We will do no home solicitation to ask people to complete cards. During morning worship our guest leader will conduct a brief period of instruction and inspiration, climaxed by members making their commitments as a confidential act of worship.

We will encourage participation in Consecration Sunday events through the Consecration Sunday team and governing board members. Since we will make no follow-up visits to ask people to complete their cards, we will make every effort to inform, inspire, and commit everyone to attend Consecration Sunday worship.

Thanks in advance for your enthusiastic participation in Consecration Sunday events.
